Bun & Veggies

Monday, May 5 is Music Monday! This special day is dedicated to advocating for music education in our schools and celebrating how it enriches our daily lives. Weather permitting, students will gather outside at 11:20 a.m. to mark the occasion; if it's rainy, we'll celebrate in the gym instead.

Looking ahead, our Kindergarten Open House takes place Thursday, May 8 from 4:30–6:00 p.m. If you have a child, or know of anyone starting kindergarten next year, please join us for a hot dog, a school tour, and a Q&A session.

Grade 3 students are starting to look ahead to their transition to Aurora. Teachers are hard at work planning transition visits—stay tuned for more details.

In June, we'll begin creating class lists for next year. If you have any pertinent information you'd like us to consider, please email both kim.nashim@nlsd.ab.ca and cheryl.kuraitis@nlsd.ab.ca by June 1. Please note: we do not accept teacher requests, and teacher assignments for next year have not yet been finalized.

Lastly, a huge congratulations to everyone on an incredibly successful Read-A-Thon! Together, we've read over 60,000 minutes and raised more than \$16,000 for field trips and student activities—amazing work!
